

32 Liter Portable Eyewash

Product Code: 15011993

Teknik Bilgiler

Product information

Self-contained portable eye wash unit that uses gravity to deliver water through dual spray heads. Unit delivers water for 15 minutes. The plastic tank can be installed in a wide variety of locations where potable water is not available. It must be filled up with clean potable water and sterilising fluid must be added. Unit shall be inspected regularly and the water must be changed at least every sixth months.

Accessories: Bacteriostatic additive to prevent growth in tank

An emergency sign is enclosed with each
eyewash.
