

C701 FULL FACE MASK (BLACK COLOR)

C 701 is the new full face mask of the Sèkur range which, through the innovative Air-On inspiration system, manages to combine a high protection factor with a minimum level of breathing resistance, assuring comfort and safety to the end user. C 701 can be used with particle, gas and combined filters equipped with EN 148/1 threaded connection, offering high protection against gases, vapours, solid and liquid particulates.

Certified according to EN 136:1998 and to European Regulation 2016/425.
