

## ELECTPRO® G1L ALX 250 Coat/Trousers

Product Code: 13856511

### Where Maximum Safety Meets Comfort!

Introducing the ELECTPRO® ARC PROTECTIVE SUIT (G1L ALX 250), a high-performance garment designed to offer exceptional protection against electric arcs, heat, and flames. With high visibility and antistatic properties, this suit is engineered to safeguard the user's body and limbs from the adverse effects of electric arcs such as heat, light, pressure, and molten particles. Ideal for professionals working in demanding environments, this coat combines safety and comfort without compromise.

### Key Features

- Heat and Flame Resistance: Offers effective protection against high temperatures and flames.
- Protection Against Electric Arcs: Shields your body from the thermal hazards of electric arcs.
- High Visibility: Ensures you're noticed in all conditions with yellow-gray-yellow flame-resistant reflective strips.
- Antistatic Feature: Prevents the buildup of static electricity, creating a safer working environment.
- Ergonomic Design: Provides comfortable movement with an ergonomic structure compliant with EN ISO 13688 standards.
