ISTEK®
SHOWERS & EYEBATHS

Product Code: 15039000-15039500

Self-Standing Type P/No:15039000 (Stainless Steel)

P/No:15039500 (Galvanized and Painted)

Teknik Bilgiler

Self-Standing Type Emergency Shower and Eye/Face Wash.

The unit is designed and intended to be installed in close range of persons working in a potentially hazardous area. The main purpose of these devices is to immediately deliver flushing fluid in sufficient volume to flush the eyes following exposure to injurious substances or heat. With this accomplished the injured person can proceed to medical care.

Freeze Proof with underground safety valve.

Rinses eyes and face with clean water via twin spray nozzles.

Push handle activation for shower, treadle foot activation for eye/face wash.
