Teknik Bilgiler

Pedestal Mounted Eye/Face washer unit.

Eye wash units are designed and intended to be installed in close range of persons working in a potentially hazardous area. The main purpose of these devices is to immediately deliver flushing fluid in sufficient volume to flush the eyes following exposure to injurious substances or heat. With this accomplished the injured person can proceed to medical care.

Freeze Proof with underground valve.

Rinses eyes and face with clean water via twin spray nozzles.

Push handle operated.

Electrostatic Powder Painted. Standard color is Green. Showers can be produced in different colors upon request.
