

GMI PS200 MultiGas Detector

Product Code: 17020102

- Simple user interface
- Full bump, calibration and charging options
- Bump/calibration results storage
- Stand-alone, PC or Ethernet options
- Robust construction

CE Mark

Ex-Proof (ATEX)

TECHNICAL INFORMATION

- Simple user interface
- Full bump, calibration and charging options
- Bump/calibration results storage
- Stand-alone, PC or Ethernet options
- Robust construction
