

## Wolf Ex-proof TR-30 & TS-30+ Battery Flashlight

Wolf Ex-proof2 TR-30+ 2 batteries ,Right Angle ATEX, T4, LED,P/N: 08010451

Wolf Ex-proof2 TS-30+ 2 batteries straight angle, ATEX, T4, LED. P/N:08010201

It has IP 67 water and dust protection according to EN 60529:1992 standard.

EX II 2 GD EEx e ib IIC T6 has IP 67 ATEX certificate.

### Design:

It is suitable for use in Zones 1 & 2 Gas Groups IIA, IIB, IIC gaseous environments in T4 temperature range. It has a protected polycarbonate lens, its body is in impact resistant thermoplastic structure and it has an antistatic enclosure.

It is powered by 2 x 1.5 V batteries and provides over 17 hours of illumination.

Its weight is approximately 475 grams including batteries.

CE Mark

Ex-Proof (ATEX)
