

## FYRPRO® NXT PRO Design Fireman Suit (Jacket & Pants)

**Product Code: 13152368**

### **Introducing the FYRPRO® NXT Pro Design: Enhanced Protection, Unmatched Comfort, and Visual Appeal**

Building on the robust foundation of the original FYRPRO® NXT Firefighter Suit, the Pro Design version elevates both safety and style to new heights. This cutting-edge variant not only maintains the highest standards of protection in extreme conditions but also incorporates additional layers of ergonomic design and comfort. With superior craftsmanship that prioritizes wearability, the Pro Design provides professionals with a garment that enhances mobility while minimizing fatigue during prolonged operations.

What sets the Pro Design apart is its seamless blend of visual aesthetics with practical benefits. The refined design adds a modern, polished appearance that reflects the professionalism and confidence of the wearer. This means that firefighters can rely on maximum protective performance without compromising on comfort or style.

### **Certified Safety You Can Trust**

FYRPRO® NXT garments are CE marked and certified in compliance with the (EU) 2016/425 Personal Protective Equipment (PPE) Directive. Manufactured according to the EN 469:2020 standard, they also meet EN 1149-5:2018 electrostatic requirements and EN ISO 13688:2013 general criteria. All materials are OEKO-TEX certified, ensuring they are free of harmful substances and eco-friendly.

### **Superior Design and Functionality**

Designed as a jacket and trouser set, the FYRPRO® NXT prioritizes firefighter safety. Its lightweight and ergonomic design offers maximum mobility and comfort, allowing users to

perform at their best.
