

The 300 model is shown in three views: a top view, a side view, and a detail view of the base. The top view shows a rectangular tank with a handle on the right side, labeled with a circled 5. The side view shows the tank mounted on a base, with a chain hanging from the bottom, labeled with a circled 6. The detail view shows the base with a spring and a handle, labeled with a circled 2. The 265 model is shown in a side view, mounted on a wall, with a chain hanging from the bottom, labeled with a circled 1. The top view of the 265 model shows a rectangular tank with a handle on the right side, labeled with a circled 4. The side view of the 265 model shows the tank mounted on a wall, with a chain hanging from the bottom, labeled with a circled 7. The bottom view of the 265 model shows a rectangular tank with a handle on the right side, labeled with a circled 3. The bottom view of the 150 model shows a rectangular tank with a handle on the right side, labeled with a circled 2. The side view of the 150 model shows the tank mounted on a wall, with a chain hanging from the bottom, labeled with a circled 1. The top view of the 150 model shows a rectangular tank with a handle on the right side, labeled with a circled 4. The side view of the 150 model shows the tank mounted on a wall, with a chain hanging from the bottom, labeled with a circled 7. The bottom view of the 150 model shows a rectangular tank with a handle on the right side, labeled with a circled 3.

Statik test basıncı : 7 bar
Min kullanma basıncı : 1,4 bar
Max kullanma basıncı : 2,8 bar
