

Wolf Ex-proof TR-30 & TS-30+ Фонарик на батарейках

Wolf Ex-proof2 TR-30+ 2 batteries ,Right Angle ATEX, T4,
LED,P/N: 08010451

Wolf Ex-proof2 TS-30+ 2 batteries straight angle, ATEX, T4,
LED. P/N:08010201

IP 67 water and dust protection is available according to EN
60529:1992 standard.

EX II 2 GD EEx e ib IIC T6 has IP 67 ATEX certification.

Design:

Zones 1 & 2 Gas Groups IIA, IIB, IIC are suitable for use in
gaseous environments in the T4 temperature December.

It has a protected polycarbonate lens, an impact-resistant
thermoplastic structure and an antistatic housing.

2 pcs of 1.5 V. it is powered by batteries and provides over 17
hours of illumination.

Its weight is about 475 grams, including batteries.
